About Us

Edinburgh Trams is the award winning operator of the city's tramway with a vision to be an integral part of the future success of Edinburgh and the Lothians by providing world-class, environmentally-friendly and socially-inclusive transport. The addition of new services, industry-leading levels of customer service and a range of dynamic initiatives have all contributed to Edinburgh's tramway becoming one of the UK's most successful transport systems. Delivering 'Excellence for Edinburgh' is our mantra. Our values are to be Trusted, Innovative, Passionate and Smart. We believe that if we are true to our values our company can look forward to even greater success and, as importantly, each of us will feel ever more proud, satisfied and happy in our work.

About the Role

The main purpose of your role will be to operate trams in service between Edinburgh Airport and York Place. You will be responsible for providing a safe, efficient and customer focused experience. When on 'spare' duties, you may also be expected to carry out other tasks out with your normal core role.

About You

You must have a minimum of two year's driving experience. This does not need to be UK driving experience. You must have a full UK driver's license, held for a minimum of one year, with no more than three penalty points. Proof of this will be required. Successful candidates will have the ability and desire to work safely, be flexible and deliver customer service excellence. You will have strong concentration and communication skills.

Working Hours

This is a full time, shift work position working an average 40 hour week.

How to Apply

Please email your supporting statement and CV careers@edinburghtrams.com. Your statement must include your motivation for applying and the key skills, experience, knowledge and approach you believe you can bring to the role.

Recruitment & Selection Process

If your application passes the initial sift, you will be invited to complete online testing. If you meet the minimum requirement, you will be invited to attend a half day assessment centre which may include testing, group exercises and an interview. The final stage will be a pre-employment questionnaire, medical and drug and alcohol testing. If successful, start dates will be offered throughout the year.
