

Mobility Scooter Application Form

Registering to use your mobility scooter on Edinburgh Trams

The scheme is open to people who are in ownership of a Scottish National Entitlement Card, a Blue Badge Parking Permit or any other pass issued by a local authority and do not have a condition that would prevent the safe operation of a mobility scooter on the Edinburgh Tram network.

If you do not have a qualifying pass and you would like to check if you qualify, please contact Edinburgh Trams' Customer Service Department on 0131 475 0177. For more information, visit www.edinburghtrams.com/access.

Please complete the application in block capital letters. Once complete, please take your application to the Waverley Bridge Travelshop where a member of staff will conduct a visual inspection of your mobility scooter. Your permit will then be posted to you within 10 working days.

Do you hold a valid National Entitlement Card to prove eligibility?

Yes No

This also includes Blue Badge permits or any other disability pass/permit issued by a local authority.

Are you visually impaired?

Yes No

There are no legal eyesight requirements to drive a mobility scooter, but you may be requested to acquire notification from your optician to endorse your ability to safely operate a mobility scooter.

Do you have a condition(s) that would prevent the safe use of a mobility scooter on the tram network (including epilepsy, seizures and fainting)?

Yes No

If yes, your application may need to be supported by a doctor's letter or may not be progressed.

The scope of this permit is for mobility scooters. All manual and electric wheelchairs are already permitted on board trams.

To be eligible, the mobility scooter must correspond with the measurements of:

- 600mm wide
- 1000mm long
- Turning radius not exceeding 1200mm
- A maximum combined weight (mobility scooter and user) of 300kg
- Brake release / free wheel operation to enable safe egress off the tram if the scooter breaks down.
